

Eprazole (Vegetable Capsule Shell)

1. Why a doctor's should prescribe our Eprazole instead of other Esomeprazole?

Ans: Doctor prescribe Our Eprazole because :

Eprazole	Other Esomeprazole
HPMC Shell with natural materials	Gelatin Shell with animal by product
Free from risk of BSE & TSE	High risk of BSE & TSE
22.5% pellets with minimum excipients ensure maximum drug concentration on GIT	8.5% pellets formulation contains more excipients make delay on absorption
Free from preservative, Odor & Taste	Gelatin have bad Odor & Taste with harmful preservative
Vegetable Capsule have no religious restriction for intake	Hesitation may arise
Smallest capsule size (#4) .Easy to Swallow.	Much bigger to size #2. Difficult to swallow.
